

7th International Core Energetics Convention 2016

“A WAY OF LIFE AS A HELPER OF OTHERS”

lecture

by Stuart Black

It is about why we choose this work and what effect it has on our life. The purpose is to understand our journey and to have more fulfillment in life.

Biography

Stuart Black, CEEP, DDS.

I was the Director of Core Energetics in NY for 23 years, a colleague and friend of John Pierrakos, and I now live in Mexico and am teaching a class to those that want the work but don't have much money. The class is in the 4th generation. I have taught in Australia, Brazil, Italy, Holland, Germany, Mexico, Switzerland, Canada, and throughout the US. I have been a teacher to faculty and students at the Barbara Brennan School of Healing. I am the author of A Way of Life: Core Energetics.
