

"SKILLS FOR THE HIGHER SELF"

workshop

by Ina Coletti

To work from the place of the Higher Self is our task, to find and to let it grow is our work.

Please bring something to write down and a picture from you were you like yourself.

biography

Ina Coletti, she has a degree in Sozial education theory and some other vocational trainings. Conversation therapy from Rogers, humanistic Psychotherapie from Christian Meyer and familytherapy from Hellinger.

Looking for work that takes the heart as a center of being and where the wisdom is flying through, INA COLETTI found Pathwork in 1981 and later on Core Energetics. John Pierrakos brought her to a place where she could realize who she is. Since 1988 she works as a therapist and since 1994 in her own office. As she says: 'The teaching and also my learning is the way to bring Core Energetics in life and in the first years also to Germany'.
